

COFFEE

SPECIFICATION

Arabica & Robusta

Coffee is one of the most popular drinks in the world and the most widely traded tropical product globally. Almost 11 million tonnes of coffee are produced and consumed every year. Just in the US, about 400million cups of coffee are consumed every day.

The global coffee trade accounts for 2.5% of the world's agricultural commodity trade by value, almost \$31 Billion per year.

At Ochroma Group, we focus on sourcing the best quality coffee in Central and South America, working directly with coffee plantations, roasters and exporters of different varieties and flavor notes. Our aim is to help our clients find the right coffee to fit their unique needs.
